Costa del Sol, El Chaparral

This isn't one of those "quick-fix" homes.~This one was renovated properly. As if it were for yourself. No shortcuts. No rush. No nonsense.~~And you feel it the moment you walk in.~~It's a place where you don't have to do a thing.~Just breathe, sit back, and think: "finally."~~You have your own outdoor space to enjoy your morning coffee in peace.~Read a book, share a meal, plant something, lie in the sun... do whatever you want. It's your space.~~You sleep well here.~You live better.~~Because you don't buy a home for the floor tiles or fancy appliances (though, yes, it has all that too).~You buy it because you're tired of not having a place that really feels like yours.~~And this one does.~~Close to the park. Quiet. Sunny.~With that rare feeling that this time... you got it right.
