Can you imagine living in a penthouse with a private pool and barbecue, surrounded by gardens and with all the amenities? Stop imagining and come discover our new project, just penthouses. At our new residential development, we offer you the unique opportunity to acquire one of the 18 homes we will build in a block of ground floor and four stories, located in a three-block complex with communal pools, green areas, sports facilities, and a children's play area. Our homes are designed for a young audience seeking quality of life, comfort, and exclusivity. That's why all our homes are penthouses with private terraces. Where you can enjoy your own pool and barbecue, undisturbed. Plus, the garden surrounding the home makes all the terraces 100% private, ensuring your privacy and security. And the best part is that our penthouses are priced at the same price as a regular home, so you won't have to compromise on anything to fulfill your dream of living in a penthouse. Don't miss this opportunity and contact us to book your visit. We look forward to seeing you!
